Cooperative Purchase Language:

The City of Redmond has entered into intergovernmental (Interlocal) purchasing agreements pursuant to RCW 39.34 with other Washington agencies under which either party may make purchases at the other party's accepted bid price. By submitting an offer, the Supplier/Contractor agrees to make the same bid terms and price, exclusive of freight, available to other Washington governmental agencies. Only those public agencies that have complied with the requirements outlined in RCW 39.34 are eligible to use this contract. Further, the public agency accepts responsibility for compliance with any additional or varying laws and regulations governing purchase by or on behalf of the public agency in question. A purchase by a public agency shall be affected by a purchase order from the public agency, directed to the Supplier/Contractor or other party contracting to furnish goods or services to the City of Redmond. The City of Redmond will not accept any responsibility for purchase orders issued by other public agencies.

The undersigned agrees fully with the terms and conditions of this Invitation For Bid.

**TECHNICAL SPECIFICATIONS ADDENDA AND MANDATORY
QUESTIONNAIRE**

**FOR THE SUPPLY OF ONE CAB-CHASSIS WITH COMPLETE MOUNTED 12
YARD POSITIVE DISPLACEMENT SEWER CLEANER**

Bidders shall respond, as instructed below, to all equipment specification requirements listed herein and on the City of Redmond's TECHNICAL SPECIFICATIONS FOR 12 YARD POSITIVE DISPLACEMENT SEWER CLEANER, attached hereto. This document shall be completed, attached to, and submitted with, the Bid Proposal. Bids must be submitted with the questionnaire forms provided by the City of Redmond.

Proposals may be withdrawn by written notice only, provided such notice is received at the office of the City's Purchasing Department prior to time set as closing time for receiving Proposals.

Indicate your response by checking either "YES" or "NO" for each item herein and on the City's Technical Specifications. This will indicate how the equipment being bid conforms to the requirements. A "YES" response indicates compliance exactly as specified. If "NO" is checked, please indicate what is being offered on an Exceptions/Clarifications Sheet and include this sheet with your response.

SCOPE

1. The purpose of this specification is to secure one (1) new and unused current model year, 66,000 lb. GVWR, 6 x 4 diesel truck with combination jet rodder/sewer cleaner.
2. Evaluation of bids will include consideration of bidder's experience, expertise, longevity and service support facilities/capabilities in producing/supplying equipment comparable to that specified herein. Bidder shall state the number of units manufactured and delivered in the U.S. within the past five (5) years that meet the general intent of these specifications.

State the number of machines delivered in last five years: _____

	<u>YES</u>	<u>NO</u>
In addition, bidder shall supply a minimum of three (3) references of owners of equipment closely paralleling these specifications. Additional value shall be assigned to owners located within the immediate Pacific Northwest.	_____	_____
3. Demonstrations have been important in establishing the criteria of the technical specifications contained in this bid document. An additional demonstration may be required of the bidders, if deemed necessary by the City of Redmond. Location of any demonstrations shall be specified by the City of Redmond. The demonstration shall include the operation of the equipment by City employee(s) trained to operate similar equipment. Some examples of demonstration requirements may be, but not limited to: safety factors, productivity levels, ease of operation, noise level, accessibility of storage compartments, accessibility of components for maintenance, parts availability, overall quality of the machine and versatility.	_____	_____
4. The attached technical specifications are intended to be the minimum acceptable and should be adhered to as closely as possible. Where it is not possible, the bidder shall so state and shall also note what the deviation is on the specification. Unless so stated by the bidder, the City of Redmond shall assume that all requirements have been met and shall hold the bidder to each part of the specification. Any informal communications prior to the bid opening cannot and shall not be construed as an approval of the acceptability of any deviation from these specifications. Alternates and/or options shall be noted on your Exceptions/Clarifications Sheet. Bids received under these conditions shall be considered.	_____	_____
5. Equipment shall conform to all legal requirements of Federal, State and local vehicle laws and regulations.	_____	_____
6. Bidder shall be a franchised dealer and factory approved service facility for equipment being bid.	_____	_____
7. The truck shall be complete and operational when delivered and any parts and/or attachments necessary to form a complete and operational truck must be furnished and installed at bidder's expense, whether specifically mentioned herein or not.	_____	_____
8. Only one (1) bid per supplier will be evaluated. (Multiple bid	_____	_____

offerings are not acceptable). Bid proposals will not be accepted without the completed specification, and supplemental information required, as stated herein.
